MA 4Port Node 19" rack mounting kit – XLR connectors

Art.-No. 130282

The MA 4Port Node 19" rack mounting kit with panel for XLR connectors allows the proper installation into 19" racks especially for fixed installations. Due to the panel for XLR connectors all DMX and Ethernet connections can be extended to the front side for easier access.
A suitable set of connecting cable is available as accessory (art. no. 210629).
